- **COPA 2026-0001206 — это не 47th St.** Это 9 марта 2026, 17:40, District 11, **Humboldt Park**, переулок у **Homan Ave**. Subject там один, Derek Jordan, и он погиб. Погоня со стрельбой и аварией на **2900 W. 47th St.** была **25 апреля 2026**: трое задержанных, видео COPA **не выпускает** из-за закона о несовершеннолетних (Juvenile Court Act). Номер дела этого эпизода я не нашёл, обвинения тоже **не найдены**. Источники: [COPA update](#), [Fox 32](#).
- **Demond Williams**: в Sun-Times год смерти прямо не указан («died July 26»). Из контекста статьи от 01.10.2026 это, скорее всего, 2026 год, но это вывод, а не цитата.
